Application and verification process

3

Status of registration and application

1. **Salient features – JRFRY**

Salient features of Jharkhand Rajya Fasal Rahat Yojna (JRFRY)

Both 'Raiyat' & 'Bataidaar' farmers are eligible to apply

Both Kharif (Paddy & Maize) and Rabi (Wheat, Mustard, Gram and Potato) season crops are covered in the scheme

No intermediary role of insurance companies and no premium is required to be paid by applicant farmers

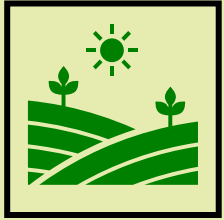

Assured financial assistance to eligible farmers only in the event of crop loss occurred due to natural calamity

In event of 30-50% loss: Rs. 3000/ acre max. upto 5 acres
In event of >50% loss: Rs. 4000/ acre max. upto 5 acres
(Loss estimation through data of Crop Cutting Experiment)

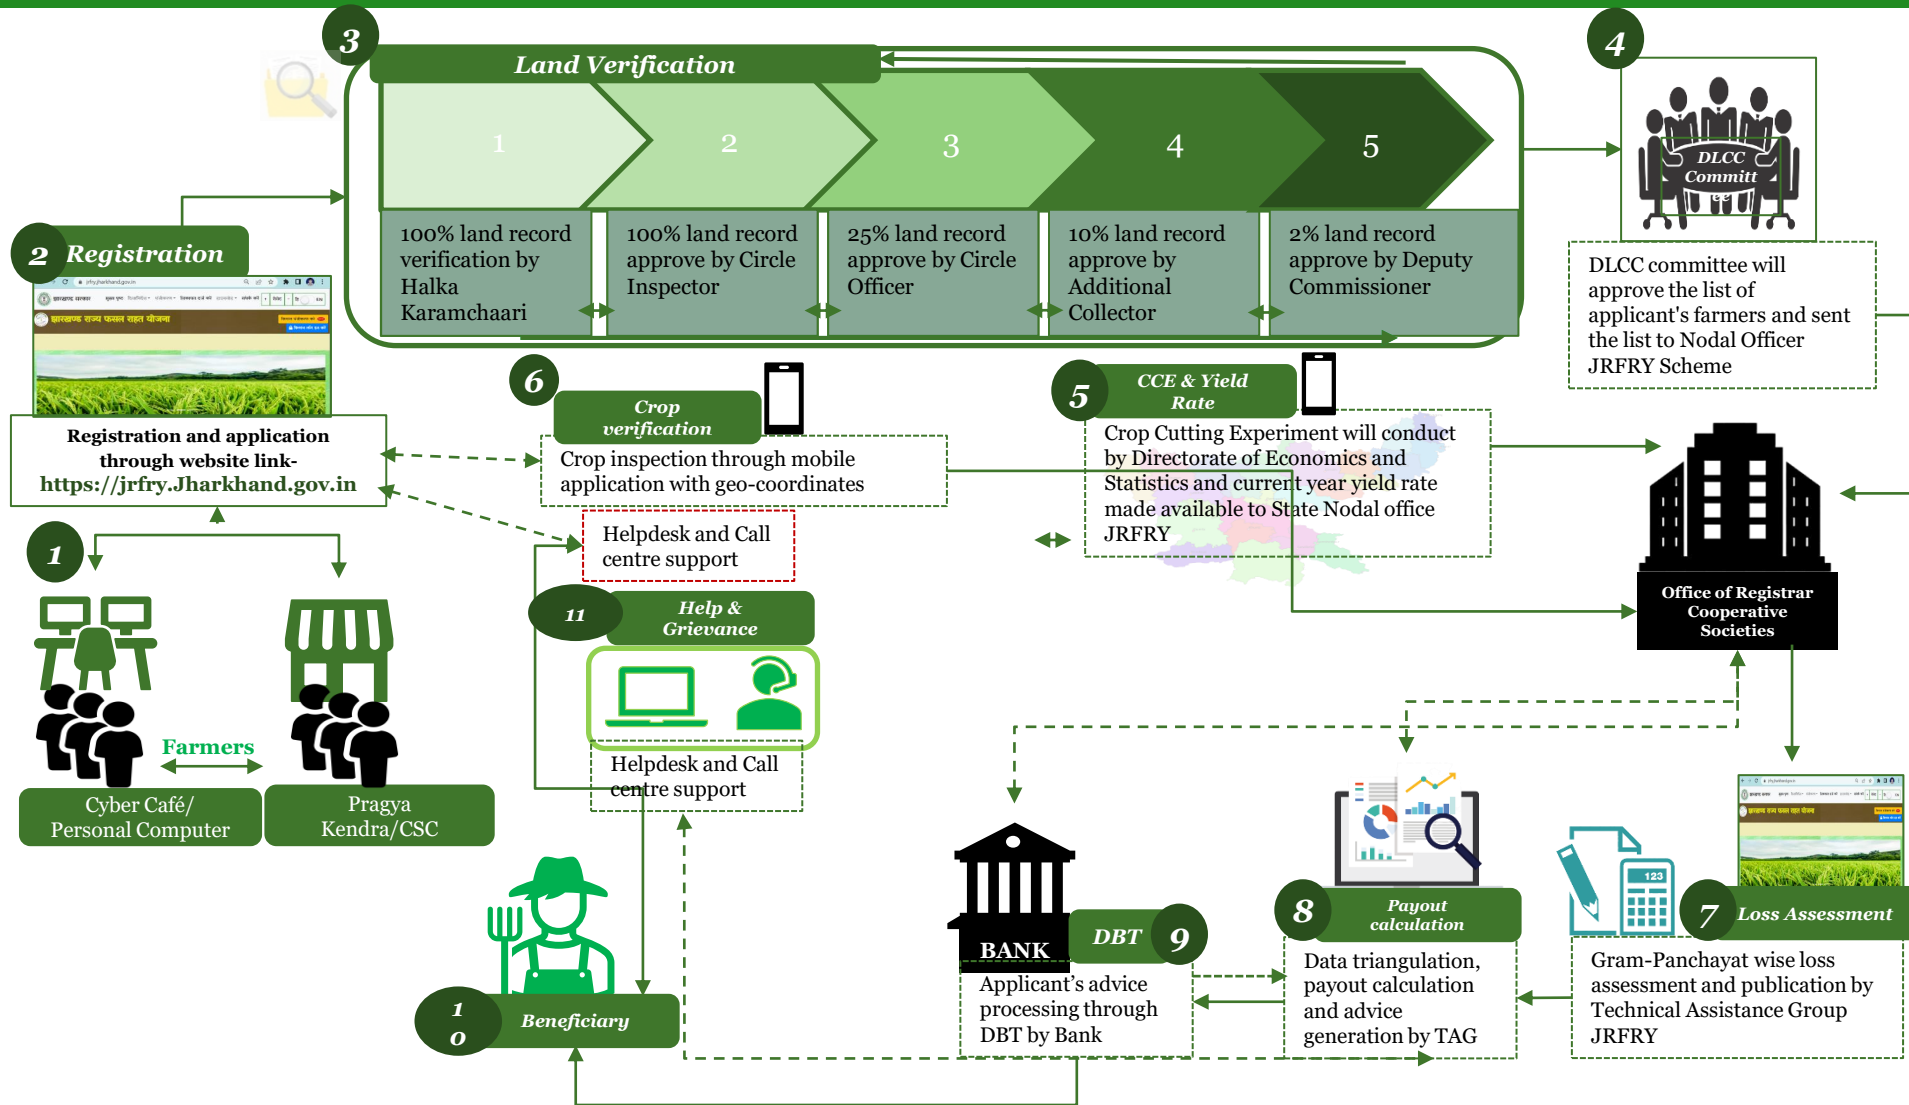

Online application: <https://jrfry.jharkhand.gov.in> either by logging on to the portal or may apply at the nearest Common Service Centre

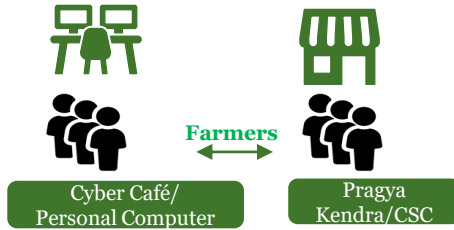

2. Application and verification process

Overall implementation process- JRFRY

Online registration and application process

Step 1: One time online registration, valid for all crop seasons and for all years

Visiting <https://jrfry.jharkhand.gov.in>

One step registration by OTP on furnishing Aadhar No. and Valid Mobile Number

Step 2: Application by registered farmers for the current crop season

After successful registration, farmers will fill in application for the current crop season by furnishing land record details, bank details and crop sowed for the current season
